§ 2-1. Write-in ballots; approved forms.

In all Town elections, ballots, other than those printed at the direction of the Board of Supervisors of Elections and/or the Board of Commissioners shall not be cast or counted in any election. This section shall not prevent any voter from writing on his ballot and marking in the proper place the name of any person other than those already printed for whom he may desire to vote for any office. Such write-in votes are expressly permitted and shall be counted the same as if the name of such person had been printed upon the ballot and marked by the voter. Notwithstanding anything in this section to the contrary, a person shall not be declared the winner of an election for the office of Commissioner unless he or she resides in the election district to be represented by said person.

§ 2-2. Construal.
