§ 32-1. Building Construction Administration and Enforcement by Cecil County.

- A. The construction of buildings and structures in the Town of Perryville shall be undertaken in accordance with, and administered and enforced by Cecil County, Maryland, pursuant to, chapter 157 of the Cecil County code, in the same manner and to the same extent as that chapter is administered and enforced in the unincorporated areas of Cecil County. The Town of Perryville expressly subjects itself to chapter 157 of the Cecil County code.
